Subject: Overseas Student Scholarships for Undergraduate Studies at Lingnan University , Hong Kong

Dear Mr Wardoyo

Overseas Student Scholarships for Undergraduate Studies at Lingnan University , Hong Kong

I am pleased to introduce to you the Overseas Student Scholarships for outstanding overseas students from your country to study in our University's undergraduate programmes in the 2011-12 academic year, which begins in September 2011. To attract overseas students to our University so as to create a vibrant international environment on campus, the University offers scholarships to support outstanding overseas students to pursue undergraduate studies at our University. A successful student will be awarded HK\$120,000 (i.e. about US\$15,385) per academic year (tenable for a period of up to 3 years) which covers tuition, hostel and other academic and living expenses for their studies.

Lingnan University is the only liberal arts university in the territory, offering study programmes in Arts, Business and Social Sciences at undergraduate and postgraduate levels up to doctoral degrees. True to its identity as a liberal arts institution, Lingnan is characterised by a small student body, a close faculty-student relationship and a residential campus. Lingnan guaranteed on-campus residence for all non-local students throughout their studies. Local and non-local undergraduate students with the following qualifications are eligible to apply: satisfactory completion of 7 years of secondary education, or 6 years of secondary education plus one year of study in a 4-year undergraduate curriculum;

- satisfactory completion of the first year in a 4-year undergraduate curriculum, or in an associate degree programme of a recognized institution;
- a degree, an associate degree or a diploma awarded by a recognized post-secondary institution;
- an International Baccalaureate Diploma;
- satisfactory completion of two years of full-time study in a post-Form Five institution, e.g. a technical institute; or
- other equivalent qualifications which the University will consider on a case-by-case basis.

(Note: Students may be required to gain a minimum of Grade C in English in the GCE O-Level or GCSE Examination or an equivalent public examination; or a TOEFL score of 213 in the computer-based test, or 550 in the paper-based test, or 79 in the internet-based test, or an IELTS overall band score of 5.5.)

I would appreciate it if you could encourage students in your country to apply for the scholarships to further their studies in Hong Kong. I have attached an eLeaflet for distribution and publicity at your convenience. Students interested in applying for the scholarships should submit their online applications from 15 December 2010 to 31 March 2011 for evaluation for admission. Details of the scholarships are available at our website: <http://www.LN.edu.hk/admissions/da/intl>.

If you have questions about the scholarships and related matters, you are most welcome to contact Ms Merry CHEY at merrychev@LN.edu.hk or (852)2616 8774 and Ms Elizabeth CHEUNG at elizabethcheung@LN.edu.hk or (852) 2616 8778.

We look forward to receiving applications from students at your country.

Yours sincerely
 William LEE Keng-mun
 Associate Vice-President (Academic Affairs)
