E-mail info@daadjkt.orgJakarta, 9th March 2011**Scholarships for Young Professionals from Indonesia
for Postgraduate Studies in Germany 2012/2013
Call for Applications****Deadline: 28th July 2011**

Dear Sir/Madame,

The German Academic Exchange Service (DAAD) is pleased to inform you about the **Scholarships for Postgraduate Courses with Relevance to Developing Countries 2012/2013**. Most courses lead to a Master Degree and three to a PhD.

University graduates who have been working for two years in the public or private in the public or private institutions in the following areas are eligible for these grants:

- Economic Sciences / Business Administration/ Political Economics
- Development Co-operation
- Engineering and related sciences
- Mathematics
- Regional Planning
- Agricultural and Forest Sciences
- Environmental Sciences
- Public Health / Veterinary Medicine / Medicine
- Social Science, Education and Law
- Media Studies

The funds for these scholarships are provided by the Federal Ministry for Economics Cooperation and Development (BMZ).

Attached is the information on the scholarship program. We would be most grateful if you could quickly disseminate this information to institutions and individuals within the reach of your competence. Should you have any further question, please do not hesitate to contact us. Interested candidates may visit our office for counseling on the DAAD consultation hours, Monday to Thursday: 1:30 until 4:00 p.m.

Yours sincerely,

Dr. Helmut Buchholt
Director
